SRINIVAS BOOKYA

PRODUCTION MANAGER

PROFILE SUMMARY:

I am a strategic and results-driven Sr. Manager (Production & Operations) with **22 years of experience in shrimp-feed manufacturing**, specializing in end-to-end production management, plant operations, and technical excellence. With strong expertise in pellet mills, atomizers, hammermills, Pulverizers, and extruders, I have a proven track record of improving operational efficiency, enhancing process reliability, and maintaining world-class quality standards. Known for leading high-performing teams, strengthening maintenance practices, and driving continuous-improvement initiatives, I bring a strong **leadership mindset** focused on **productivity, safety, and sustainable organizational growth**.

SKILLS:

- ✓ Strategic Operations Planning
- ✓ SOP Development & Implementation
- ✓ 5S Implementation
- ✓ Risk Assessment & Mitigation
- ✓ Audit & Compliance Management
- ✓ Organizational Development

CERTIFICATIONS:

- ✓ ISO 9001:2015-QMS
- ✓ ISO 14001:2015-EMS
- ✓ Kaizen-Continuous Improvement Methodology
- ✓ Poka-Yoke-Error Proofing & Mistake Techniques

PRODUCTION MANAGER

SEP2024–PRESENT

THE WATER BASE LIMITED , Bogole, Nellore,AP .

- ✓ Lead **150+ team members** across production, planning, quality, and maintenance to achieve daily, weekly, and monthly output targets.
- ✓ Managed **240 TPD shrimp-feed production**, ensuring efficient production planning and smooth coordination between raw material availability, machine capacity, and order priorities.
- ✓ Executed **production planning & scheduling** to meet dispatch requirements, optimize machine utilization, and prevent bottlenecks in the manufacturing flow.
- ✓ Coordinated closely with the **R&D team** for new feed formulations, product improvisations, and successful execution of commercial and technical trials.
- ✓ Collaborated with cross-functional teams to align production plans with procurement, quality, and inventory levels.
- ✓ Delivered **monthly review presentations** to Management, highlighting production KPIs, yield trends, cost-saving initiatives, and improvement actions.
- ✓ Implemented process improvements to enhance quality, reduce rework, and ensure consistent product performance.
- ✓ Ensured strict adherence to safety, discipline, and 5S across all shifts and production zones.
- ✓ Improved workforce efficiency through structured manpower planning, training, and performance monitoring.

Skills:-Production Planning&Scheduling,Process Management,Strategic Operations&Cost Control,Preventive&Breakdown Maintenance, Manpower Management&Training,Resource Mobilization,Team Leadership&Coordination,5S,Safety&Continuous Improvement

SECTION MANAGER

JUN2019–SEP2024

CPFINDIA PRIVATE LIMITED,Bimavaram,AP.

- ✓ Planned,scheduled,and controlled daily production activities.
- ✓ Adjusted production schedules based on targets and resource availability.
- ✓ Managed equipment utilization,maintenance,modifications,and procurement.
- ✓ Supported production processes with quality monitoring and cost control.
- ✓ Coordinated with R&D for trials,new formulations,and process improvements.
- ✓ Ensured ISO9001:2015 compliance,safety,and 5S standards across operations.
- ✓ Operated & maintained Muyang Pellet Mill (MUZL-1200), Wenger/Muyang Extruders, and grinding systems.
- ✓ Executed grinding operations (Hammer mills,Stolz,Pulverizers).
- ✓ Prepared PM checklists,maintenance plans,and spare-parts lists.
- ✓ Conducted root cause analysis for product rejection and machine breakdowns.

Skills:-Project&ProcessManagement,QualityManagement,R&DCoordination,Preventive&BreakdownMaintenance,ManpowerManagement,TeamLeadership,5S&SafetyCompliance

ASSISTANT MANAGER , SHIFT INCHARGE

OCT2015–2019

CPF INDIA PRIVATE LIMITED , Bimavaram ,AP .

- ✓ Expert in Machine maintainance.
- ✓ Managedshiftoperations,ensuringqualitycomplianceandtimelyissueresolution.
- ✓ Prepareddailyreportsandcoordinatedwithcross-functionalteams.
- ✓ UtilizedMSOffice(Word,Excel,Outlook,PowerPoint)forreportingand documentation.
- ✓ Ledpelletsectionoperationsandsupervisedproductionworkmen.
- ✓ Ensuredcorrectpellets size,quality,and specificationsforshrimp-feedproduction.
- ✓ Maintainedallpelletsectionreports,checklists,andsharedupdateswith management.
- ✓ Oversawpelletdiemaintenance,smoothmachineoperation,andprocesscontinuity.
- ✓ Workedwithpelletdiesofmultiplesizes: **1.2mm,1.4mm,1.6mm,1.8mm,2.0 mm**.
- ✓ Machineryutilization
- ✓ ProductionplanvsTarget

Skills:-ShiftOperationsManagement, ProductionMonitoring, QualityCompliance, PelletMill Operations, DieMaintenance, Machine maintenance, Documentation &bReporting, Cross-FunctionalCoordination, ManpowerSupervision, MSOffice(Word,Excel,PowerPoint,Outlook), ProcessControl& Troubleshooting

PROJECTS:

- ✓ Successfully implemented **5S sign-board system** across production areas, improving workplace discipline, visual control, and safety compliance.
- ✓ Executed **Poly Feed Trial** to validate performance, optimize formulation, and ensure stable production feasibility.
- ✓ **Roller Shell** Trials to improve pellet quality, reduce die load, and increase machine efficiency.
- ✓ Performed**PelletDieReconditioning**toextenddielife,improvetthroughput,and reduce tooling cost.
- ✓ Carriedout**DDTSteamLineModification**,improvingsteamstability,better gelatinization of the mash, conditioning quality, and energy utilization.
- ✓ Executed**ConditionerPaddle**Adjustmenttoenhancemashconsistency,optimize retention time, and improve pellet durability.
- ✓ Automatic lifting of die & roller from theground floortopellet millfloor thereby reducing the die changeover time .
