CAREER OBJECTIVE

Mechanical Engineer with hands-on expertise in maintaining complex machinery including boilers, refrigeration units, and dairy processing equipment. Proven ability to coordinate preventive and corrective maintenance activities, optimize resource utilization, and contribute to continuous improvement initiatives in plant operations. Experienced in vendor negotiation and procurement processes, emphasizing cost control and timely delivery of maintenance resources to minimize equipment downtime. Skilled in developing and implementing maintenance protocols that align with organizational objectives and industry standards to ensure operational efficiency and safety compliance. Adept at collaborating with cross-functional teams and management to foster innovation, improve equipment capacity, and drive continuous improvement in manufacturing environments

ACADEMIC QUALIFICATION

S.No.	Qualification	University / Board	Year	Per %
1	Diploma in Mechanical engineer	MSBTE Mumbai	2024	64.24
2	H.S.C. (science)	S.V.P.M. Someshwar Nagar	2010	51.83
3	S.S.C	New English School	2009	60.67
4	B.E.Mechanical	Abhinav engineering college,Bhor	2017	Appear

WORK EXPERIENCE

- Britannia Industries Pvt.Ltd. Ranjangaon (Dairy Unit)
- Set targets with the help of Manager and ensure compliance to the same in order to meet plant KPI. Set Objectives, provide direction and support to team to deliver world class performance in Equipment uptime, MTBF, MTTR, PM and Calibration Compliance, repair and maintenance cost, Power and Fuel cost, energy saving and safety. Vendor development, vendor negotiation, Follow-up of spares with vendor and Procurement department. Work on enhancement of Equipment capacity with the help of OEM. Ensure good maintenance practices are in place; anticipate and manage through adversity, effectively incorporate improvement programs into culture of the plant. Practice all environment, health and safety procedures and make safety a top priority. Drive continuous improvement to optimize R & M and energy cost and productivity improvements. Understand and implement ISO procedures, SOP and ensure continual compliance to the requirements of the standards in the production department. Work along with

the higher-level management to develop and action Objectives, Goals, Strategies and Measures for assigned area. Work with cross functional team like Projects, Process, and Quality to deliver on plant performance. Develop and implement preventive and corrective maintenance schedules to minimize equipment downtime and ensure maximum operational efficiency. Manage and supervise a team of maintenance technicians, including training, performance evaluation, and resource allocation. Oversee procurement and inventory management of maintenance spare parts and tools, ensuring timely availability to support maintenance activities. Coordinate with production and engineering teams to plan maintenance activities that minimize disruption to plant operations. Analyze equipment failure data and maintenance records to identify trends and recommend improvements for reliability and cost reduction. Ensure compliance with all safety regulations and environmental standards in maintenance operations, conducting regular safety audits and risk assessments. Set targets collaboratively with management to achieve and exceed plant KPI benchmarks, driving enhanced operational performance. Collaborated with OEMs to successfully enhance equipment capacity and ensure optimal performance. Analyze equipment failure data to identify trends and recommend reliability improvements. Developed strong vendor relationships, negotiating competitive contracts and ensuring timely delivery of critical spare parts.

- December 2021 to till date
- Kute Sons Dairy's Limited (Swaraj Dairy India Industries)
- Handling Daily Maintenance and Procurement related activities related to Dairy and Utility Machineries in Rotational/General Shift. Maintenance of 10TPH Boiler and 6TPH Biofuel Boiler. Maintenance of Refrigeration Unit consisting of IBT, Ammonia Reciprocating compressors, Chillers-PHEs, Cooling Towers, Glycol chilling Units, VAMs, Liquid Ammonia Refrigeration, Cold rooms. Maintenance of Dairy Related Machineries such as Pasteurizers, Silos, Separators/Clarifiers/Bactofuge, Centrifugal pumps – Zeutech, Alfa Laval (LKH), Kirloskar, Johnson, Fristam, KSB Pumps, etc. Maintenance of Utility machineries such as Blowers, Vacuum Pumps, Air Compressors, Centrifugal Fans. Monitored and maintained boilers, refrigeration units, and dairy machinery to adhere to safety and operational standards. Coordinated preventive and corrective maintenance activities to ensure optimal performance of mechanical equipment and reduce downtime. Led routine inspection and troubleshooting of mechanical systems to ensure operational efficiency and minimize downtime. Managed procurement and inventory control for mechanical spare parts, optimizing stock levels and reducing delays. Ensured compliance with environment, health, and safety standards across all mechanical operations and maintenance activities. Conducted training sessions for junior technicians on maintenance best practices and safety procedures.
- Jun 2017 to December 2021
- Real Dairy India Pvt.Ltd. Baramati
- Handling Daily Maintenance and Procurement related activities related to Dairy and Utility Machineries in Rotational/General Shift. Maintenance of 10TPH Boiler and 6TPH Biofuel Boiler. Maintenance of Refrigeration Unit consisting of IBT, Ammonia Reciprocating compressors, Chillers-PHEs, Cooling Towers, Glycol chilling Units, VAMs, Liquid Ammonia Refrigeration, Cold rooms. Maintenance of Dairy Related Machineries such as Pasteurizers, Silos, Separators/Clarifiers/Bactofuge, Centrifugal pumps – Zeutech, Alfa Laval (LKH), Kirloskar, Johnson, Fristam, KSB Pumps, etc. Maintenance of Utility machineries such as Blowers, Vacuum Pumps, Air Compressors, Centrifugal Fans.
- Schreiber Dynamix Dairies Pvt Ltd, Baramati
- January 2016 to December 2016
- Ferrero India Pvt. Ltd, Baramati
- September 2014 to September 2015

PERSONAL INFORMATION

Father's Name : Dattatraya Jagtap
Date of Birth : 16-10-1992
Language Known : Marathi Hindi And English
Gender : Male
Nationality : Indian
Marital Status : Married

DECLARATION

I hereby declared that the above information given by me is true to best of my Knowledge.
