CURRENT ORGANISATION:

Jindal Power Ltd,(2*150MW) On Contract NEWELL ENGG Pvt Ltd.

Nardana- Dist.-Dhule(MH).

Designation : Turbine Operation Field Engg.

FROM - 23 April 2024 to Till Date. .

ROLE AND RESPONSIBILITY :

Core Maintenance Strategies-

- Preventive Maintenance (PM): Scheduled inspections and servicing (e.g., oil changes, filter replacements) to prevent wear and tear.
- Predictive Maintenance (PdM): Using data like vibration analysis, thermography, and oil analysis to catch a failure before it happens.
- Breakdown Maintenance: Reactive repairs when a system trips. This is high-pressure and requires fast, accurate troubleshooting to minimize "Downtime Loss."
- Turbine & Generator: Monitoring vibration levels and maintaining the lubrication oil systems.

- Permit to work for maintenance by proper isolation by tagging and locking and ensuring safety of equipment as well as persons during work.
- BOP (Balance of Plant): Overseeing water treatment plants, cooling towers, and ash handling systems.
- Planning and Shutdown Management-
- Plan the Scope: Define which valves, pumps, or turbines need to be opened.
- Resource Management: Order long-lead spare parts months in advance and manage specialized contractors.
- Execution: Work 24/7 during a shutdown to get the unit back on the grid as quickly as possible.

Safety And Compliance

- In an environment with high-pressure steam and high-voltage electricity, safety is the top priority.
- Handling of manpower and proper utilization with co-ordinate of different department and working people for the best operation.
- Permit to Work (PTW): Ensuring all equipment is electrically and mechanically isolated (LOTO - Lockout, Tagout) before anyone touches it.
- Root Cause Analysis (RCA): When a pump fails prematurely, you don't just fix it—you investigate why it failed to prevent a recurrence.
- Strong understanding of safety protocols and regulatory compliance in power plant operations
- Documentation: Keeping meticulous records of equipment history and maintenance logs.

PREVIOUS ORGANISATION:

ACG ASSOCIATES CAPSULE PVT. LTD,

Dahanu- Dist.-palghar(MH).
